Apologies

None

Record of Meeting

Last year's AGM minutes:

Minutes were presented from the 2016 AGM and were approved.

Presidents Address:

Gordon Smith addressed the congregation and welcomed the members present. He noted the continuing growing congregation and the fact that over 50 people in several development groups at the church were continuing to flourish and development weekends for the groups were now planned and in place. The church continues to have a feeling of positive energy and he looked forward to yet more growth over the coming year.

Treasurers Report:

Chris Norris presented the Treasurer's report and accounts. He drew attention to various positive signs that supported the President's address. A major success was that church income continued above expenditure and the church is now on a much firmer footing for the future.

Re-election of officers:

Gordon Smith as President retired and offered himself for re-election in accordance with rule 8. Gordon was unanimously re-elected for a further three-year term in accordance with rule 8.

Jean Alexander, Doreen Quinnell and Sonia Thomas duly retired and offered themselves for re-election. All were unanimously re-elected.

AOB:

A question was raised regarding the use of the LSM Library since there are no membership fees currently. The answer is that all members regardless of fees paid are eligible to use the library subject to the library rules current at the time of use.

LSM member Carol Wood kindly took the opportunity to publicly thank a number of people including Paula Barder for their contribution to the LSM.
