## **Mediumship Layers of Evidence**

What is good evidence, How do we get it? Are we getting it right?  
Are we really getting the love and intention of the spirit world?

or saying what we think they should be saying?

A energetic day of work, practice, debate, reflection and freedom to allow the spirit to use you and your uniqueness within your mediumship, psychic and spiritual awareness. Learn how to use your power to commune with those in the spirit world

The workshop will be tailored to the needs and level of expertise of those present.

£40.00 for the day - Please bring your own packed lunch
