

Advanced Healing Techniques at “The London Spiritual Mission”

In this one day workshop on **Saturday 16th September 2017** Roy Sunley will take us through the exciting and rewarding world of **Advanced** Light Energy and Spiritual Healing. All are welcome from the novice to the experienced healer

We are all Healers, but by learning new techniques and about new energies we can all enhance our healing abilities and give a greater sense of short and long term recovery for our patients and of course friends and most importantly ourselves.

Learn how to work as a team and the use of Advanced light touch and Distance Healing during this rewarding, thought provoking day. We will use 12 Chakras to heal and will learn Distance Healing across space and time.

Join Roy from 10.30 until 4pm and learn new ways to access Advanced Healing Energies and work with different Modalities to enhance your results. Look at how we can use Energy to heal both Physical and Emotional issues and learn to heal ourselves reducing stress and disease in our own lives.

Roy is a Reiki Master Teacher and Quantum Touch Practitioner and Instructor and he uses a mixture of Advanced Modalities together with Spiritual Energy to provide his students, patients and friends with an amazing power of healing and recovery. Roy also holds a Diploma in Mindfulness, Meditation and Relaxation and is a Medium serving The London Spiritual Mission and 25 other Southern based Spiritual Churches.
