

An Evening of Psychic Art

with medium & psychic artist

Andy Mulligan

Saturday 19th May 2018

7 pm - 9 pm

£5.00 entrance at the door

Andy can see and draw spirit as they draw close, and provide proof of survival through mediumship at the same time. The accuracy of his abilities is truly amazing making this an evening you would not want to miss. This is a rare opportunity to experience psychic art at the LSM and is our only event of its kind this year.
